NEWS RELEASE

Audit of ODNI Implementation of the Cybersecurity Information Sharing Act of 2015

(January 2023) The Office of the Inspector General of the Intelligence Community (IC IG) announced that it will initiate an audit of Office of the Director of National Intelligence (ODNI) implementation of the Cybersecurity Information Sharing Act of 2015 (CISA) (AUD-2023-003).

In December 2015, Congress passed the Consolidated Appropriations Act of 2016 (Public Law 114-113), including Division N – the Cybersecurity Act of 2015. The Cybersecurity Act, Title I – the Cybersecurity and Information Sharing Act, Section 107, *Oversight of Government Activities*, requires the Inspectors General of the “appropriate Federal entities,” defined as the Departments of Commerce, Defense, Energy, Homeland Security, Justice, and Treasury, and the Office of the Director of National Intelligence, to jointly report to Congress on actions taken over the most recent two-year period to carry out CISA requirements. IC IG will include the results of its audit in the required interagency report to Congress, as well as provide a report to ODNI.
